EDUCATION

Sreebora High School

Pure Science Higher Secondary

Percentage: 78.4%

Sreebora , Paschim Medinipur

2018 - 2020

Panskura Banamali College (Autonomous)

BSC in Computer Science Bachelors

CGPA: 8.4

Panskura , Purba Medinipur

2020 - 2023

Kalyani Government Engineering College

MCA Masters

Kalyani , Nadia , West bengal

2023 - 2025

SKILLS

Programming Languages: Java, C++, Python

Libraries/Frameworks: React, Java Script

Databases: My SQL, SQL

PROJECTS / OPEN-SOURCE

Encryption Decryption Software

Python , Python Tkinter , HTML

Encryption Decryption Software

Developed an advanced Encryption Decryption Software using Python, Tkinter, and HTML. This tool allows users to securely encrypt and decrypt sensitive data with a user-friendly interface. Key features include:

- **Python:** Implemented robust encryption and decryption algorithms ensuring data security.
- **Tkinter:** Designed an intuitive GUI for seamless user interaction, making complex encryption processes accessible to non-technical users.
- **HTML:** Utilized for structuring the front-end interface, enhancing usability and user experience.

This project demonstrates a strong grasp of cryptographic principles, GUI development, and front-end design, contributing to comprehensive data security solutions.

CERTIFICATIONS

- Certificate in English Communication and Digital Literacy - Anudip Foundation.
